

February 2018

The Pompton Lakes Health Department is pleased to announce the launch of its new quarterly newsletter! The Health Department's newsletters will notify readers about the upcoming programs, screenings, and other services they will be providing.

The diagram below shows the timeline of when the newsletters will be published.

UPCOMING SCREENINGS

Free Vision Screening

March 14th from 9:00am-11:30am

The vision screening is provided by the Wayne Lion's Club.

Free Hearing Screening

April 16th from 4:00pm-6:30pm

This is a basic hearing screening that will be provided by Beltone Hearing.

SMAC Blood Screening— \$25 Fee

April 14th from 8:00am-11:00am

The SMAC blood test is an excellent opportunity for residents to learn more about their health status. Test results serve as an early predictor of such diseases as diabetes, anemia, coronary disease and much more. A 12-hour fast is required for accurate results.

Space is limited and appointments are required for all screenings.

For more information or to pre-register, please call the Pompton Lakes Health Department at **973-835-0143 ext. 235**
